RE: Rules changes for 2014

There is only one change to the 2014 rules from 2013. It is the following paragraph. The purpose the change is change the Double ECR at the Double SARRC that is held at Roebing Road in July. The reason is poor attendance at the Sunday race. Entries should improve with double points available for one race. Changes are in **bold/ italic**.

4.6 *There will be a Two (2) Double Points ECRs, one at the SEDiv Double SARRC and one at the SARRC Invitational Challenge* and will be the final race of the season. *No other double points events are allowed*. The next ECR season will begin thereafter. The ECR Administrator, the SARRC Administrator and the SIC/ECR Race Chairman shall be responsible for the preparation of the supplementary regulations, entry form and schedule by July 1st and obtaining of the sanction number. **(1/14)**

I would also like to remind all Regional Executives and Race Directors that the ECR fee adopted last year is \$40.00 per car. We have returned to prize money races. Please see paragraph 5.5 for the distribution of those funds.

Respectfully submitted,

Carol Cone
